Chapter 1 by Thomas McCann

this is how bill nye became president of the world

Chapter 2 by Meme Lord

He became the smartest man in the world and surpassed all human knowledge. He ascended to a higher plane of being and used his new found mental capacity to enforce his dominance

Chapter 3 by Meme Lord

He created robotic super soldiers to extend his rule and they kept all people in line. He created them with one god-like ability. extreme grips on the bottom of the foot to RESIST THE LAW OF INERTIA. He granted them each science guns that shot doses of pure gravity in the form of lasers. when these came in contact with an organic being it would multiply the force of gravity affecting them, effectively compressing it into a spatter the size of a sugar cube. These weapons were secured into the robot's arms. The great lord Bill would not be so stupid as to allow humans to use these super weapons. This is his time to rule. He will not have it taken from him. In a frenzy of paranoia he created millions of robot soldiers. He was all alone. He felt no human contact in years. Only cold metallic voices and analyses...

Chapter 4 by Meme Lord

Bill had begun his slow descent into madness. He knew humans were a naturally social species. Of course he knew this for Lord Bill knows all. However he neglected the fact that the cold lack
